## Accommodation and seminar venue in L'Aquila

As you can see in the map, we have different venues:

- 1) University of L'Aquila, Rectorate (via G. Di Vincenzo 16B)
- 2) University of L'Aquila, Roio site (piazzale Ernesto Pontieri, Roio)
- 3) University of L'Aquila, Coppito site (piazzale S. Tommasi 1, Coppito)
- 4) University of L'Aquila, Future Rectorate (via Camponeschi, historical center)

L'Aquila was interested by a terrible earthquake in 2009, so the whole city center is interested in the reconstruction. We will have the opportunity to visit re-construction sites and the progress in the implementation of the "Smart city" in the city center and this will give us the opportunity to visit also some touristic spots.

We suggest you to choose an accommodation in the city center and here you can find a list of hotel and B&B (not exhaustive of course, so you can find more online...)
